

IIB-RB REGULATION

CLASS SIZE (Regular Education)

Class Size Goals

It is the intent of the District to maintain Regular Education class sizes that will allow the teacher to work effectively and efficiently toward meeting the objectives of each student.

Class size goals shall be as follows:

Kindergarten	Twenty-five students (25)
First Grade	Twenty-six students (26)
Second Grade & Third Grade	Twenty-eight students (28)
Fourth Grade & Fifth Grade	Twenty-nine students (29)
Sixth Grade, Seventh Grade & Eighth Grade	Thirty-four students (34)
High School	Thirty-five students (35)

If the number of students exceeds the goal for each class in a grade level by at least three (3) students per class, then acceptable alternatives may include, but are not limited to:

- Addition of a paraprofessional
- Increase a paraprofessional's hours
- Reassigning students to a different teacher
- Adding a teacher
- Creating a mixed grade level classroom.
- Other adjustments acceptable to the Superintendent and the Governing Board.

The administrator for educational services shall make student assignments within the resources available, based upon the goals listed above.

English Language Learners/ILLPsTeacher - Student Ratios

It is the intent of the District to maintain an English Language Learners (ELL) student-teacher ratio that will allow the teacher to work effectively and efficiently toward meeting the Individualized Language Learner Plan (ILLP) objectives of each student.

The goals for teacher-student ratios shall be as follows:

Identified SEI Students Twenty (20) within any three-grade level band K-8

If the number of students exceeds the goal for a class, acceptable alternatives may include, but are not limited to:

- Creating a mixed SEI classroom.
- Creating a self-contained SEI classroom that may include students from up to three (3) different grade levels.
- Other adjustments acceptable to the Superintendent and the Governing Board.

The administrator for educational services shall make student assignments within the resources available, based upon the goals listed above.
